School and Public Holidays

BTYC Gymnastics does not operate during public holidays. You will not be charged for classes that fall on these days.

During School holidays, there is compulsory training for all MAG Gymnasts. A holiday training schedule will be emailed to all families.

Communication

A vital key to the success of any program at our Club is 'parents'. From the commencement of the term, we endeavour to establish effective methods of communication between the Club, Coaches and parents. This helps to ensure a clear understanding of Club program expectations, protocols and policies. To achieve this, we hold meetings each year with squads and their Coach to ensure that families are well informed and able to be part of each athlete's learning experience at BTYC.

Should you need to meet with your Coach, please arrange a time either before or after a training session. Under no circumstances should the Coach be approached during a training session.

BTYC has a policy to deal with the handling of complaints. In the event that you wish to make a complaint, please speak with your child's Coach in the first instance. If the matter is unable to be resolved, or it's not appropriate to speak with the Coach, the matter should be raised with the relevant Program Manager or Head Coach. Options for further escalation can be outlined at this point, if needed to the General Manager.

If the matter relates to Child Safety, please contact the office on 9841 4773 to be directed to our Child Safety Champions. For Member Protection Information please contact Jes Larsen, who can be contacted at jes@btycgymnastics.org.au

Social Media

BTYC Gymnastics understands that many gymnasts may have access to social media/social networking platforms. When used in the correct manner these platforms can facilitate connections between gymnasts when outside of the gym. This can be beneficial to the growth of friendships and the social connection of a group.

BTYC Gymnastics has a zero tolerance for bullying within our facility and our expectation is that this policy continues from inside the gym to the online platform. Any allegations of online bullying between BTYC gymnasts will be taken seriously and all involved parties will be contacted by BTYC staff so that a resolution may be reached. Any cyber bullying from one BTYC gymnast to another may result in disciplinary action. In extreme cases they may include suspended or expelled from the club.

Medical Conditions

BTYC Gymnastics is an inclusive Club and will invite athletes with special needs into squads if they have the necessary skills to partake at that level. We also have a comprehensive asthma policy and anaphylaxis policy to ensure that all participants are catered for.

It is essential that families advise the Club of any medical conditions prior to commencing training.

Any athlete who requires medical attention for an injury obtained within or outside of the Club, is required to supply a medical certificate and documentation from their medical practitioner regarding activities that can and cannot be completed by the athlete. BTYC are accommodating of athletes who are carrying injuries, and are happy to modify programs within guidelines by a medical practitioner.

Training Requirements

MAG classes can include any or all of the following:

- Structured Warm Up's
- Skill and Apparatus Specific Training on all 6 competition apparatus
- Routine Practice & Development
- Strength & Conditioning
- Assessments & Testing
- Flexibility Training or Appropriate Cool Down Activity

Squad Structure

Athletes are in classes based on their gymnastics ability and then by age. Higher level athletes train more hours each week. The minimum training hours expectation for each group is specific to what BTYC head coach deem to be the best structure for safe and competent skill display at competition for that specific level of gymnastics.

Please note: all athletes must bring a drink bottle with water to all sessions.

| Level | Training Hours | Sessions |
|------------------|------------------------------------|---|
| Foundation | 6 + hours training per week | 2 session per week |
| Beginner | 6 + hours training per week | 2 session per week |
| Junior | 9 + hours training per week | 3 session per week |
| Intermediate | 10.5+ hours training per week | 3 sessions per week |
| Senior | 12+ hours training per week | 3 sessions per week |
| High Performance | 20+ <u>Hours</u> training per week | Individualised training plan |

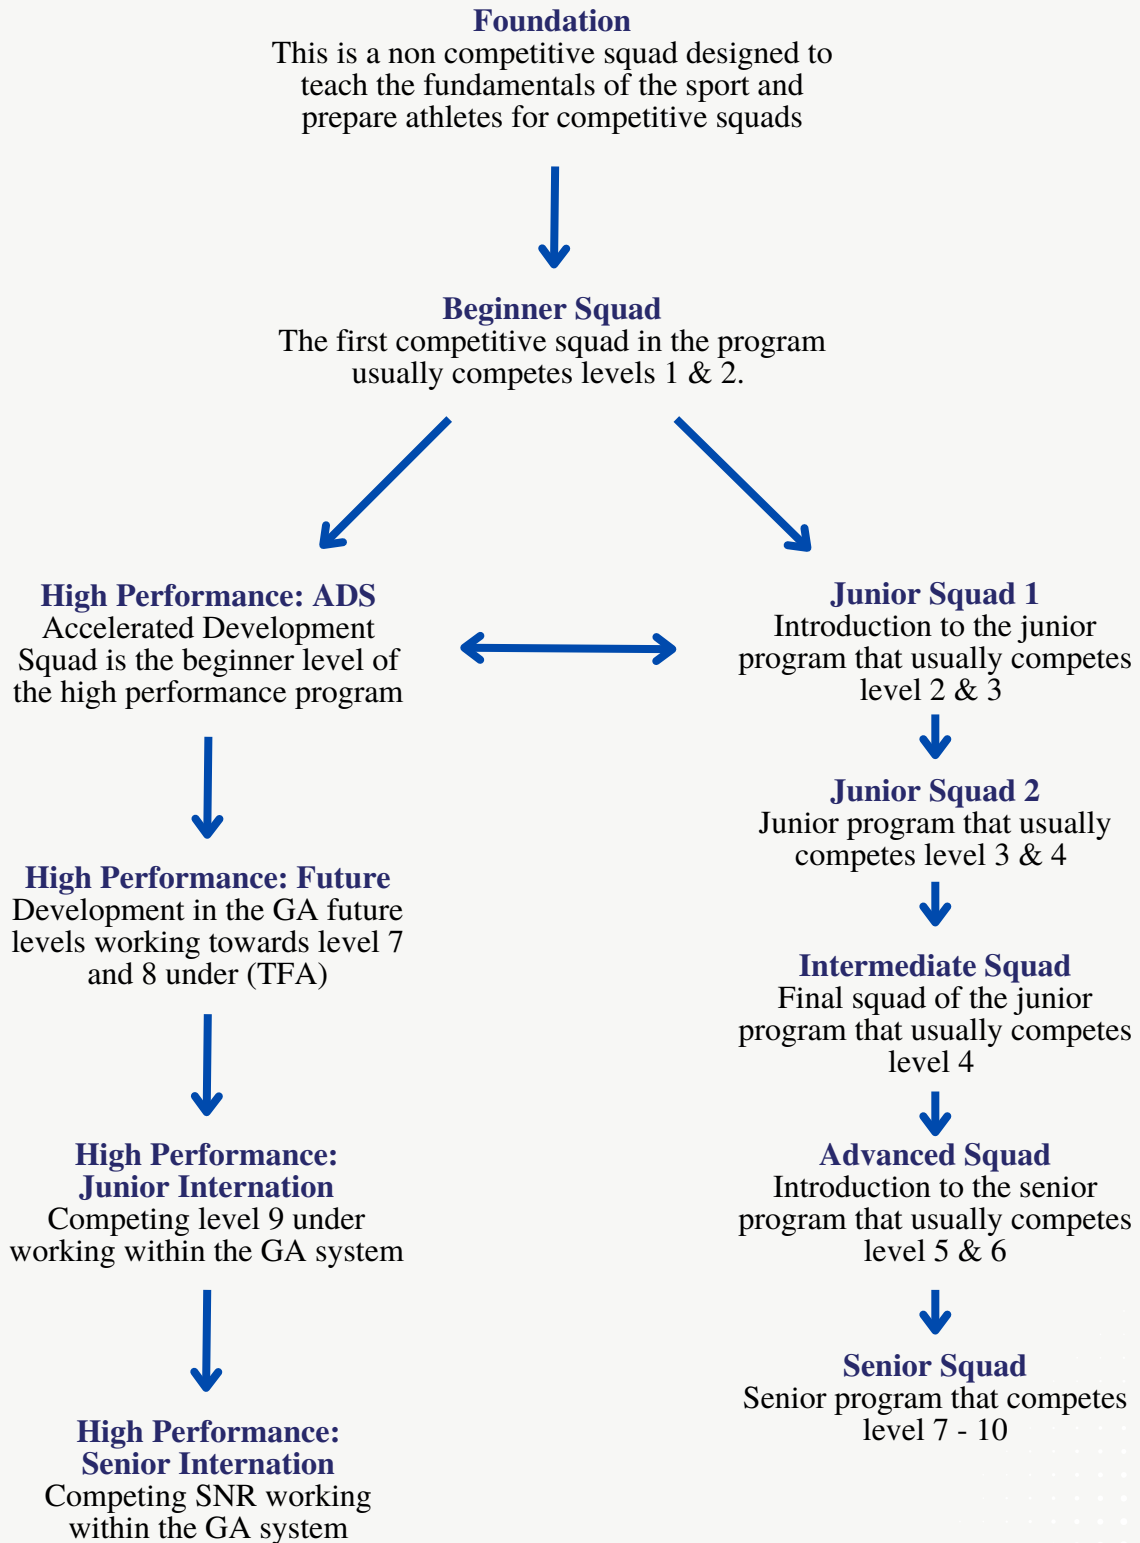

Attendance Expectations

Gymnasts in the MAG Program must meet a 85% attendance requirement throughout the year. Athletes in the MAG Program have scheduled training during the holiday period. Athletes must attend training during these holiday periods as part of their training calendar.

Athletes must also arrive 5 minutes before the start of class as "Line up" (The beginning of class where the Coach addresses the athletes and run through the plan for the session) happens at the start of class. If a class starts at 5pm, they must be lined up down on the floor at 5pm sharp. If an athlete misses line up regularly throughout term, this will count against the athlete's attendance record.

MAG Pathways and Level progression

All athletes will progress at a different pace, and children will not always progress one level each year like school. Gymnasts in the MAG Program will work through the development skills list throughout the year. Gymnasts will develop at their own rate through this testing. Gymnasts will be tested prior to the competition season to determine their level for that year. Gymnasts will need to achieve a satisfactory score at the testing to compete each level.

Uniform

BTYC has uniform policies, specific to each Gymsport and Squad within that Gymsport. It is important that these policies are followed to ensure athlete and coach safety during training hours.

MAG Uniform Policies and requirements:

Foundation, Beginner, Junior, Intermediate, Senior and High Performance gymnasts:

- Can wear any appropriate gymnastics leotard, along with gymnastics shorts or longs.
- During warm up on colder days, or when seen appropriate by a coach, are also permitted to wear a BTYC Hoodie on top of their leotard. This must then be removed when full training begins.
- Only senior athletes are permitted to train topless and sports appropriate apparel. If going topless, they must have a suitable top available to wear, should their coach request that they wear one for any purpose.
- All Junior, Intermediate, ADS and Future High-Performance squads will be expected to arrive at Saturday training only, wearing the official BTYC Leotard, Shorts and Longs. All other training days, BTYC's official training uniform is optional.
- Gymnasts who have state/national team training attire can wear this on Saturdays.
- All long hair must be tied up appropriately when in training.
- Jewelry and watches must not be worn on the gym floor and are encouraged to be left at home. BTYC takes no responsibility for lost or stolen jewelry, watches or other belongings.

Absences

If you know you are going to be absent, we appreciate being informed so we can plan for the class appropriately. To notify of an absence please email Ross, ross@btycgymnastics.org.au or call the office on 9841 4773

No make up classes will be offered in 2025 for squads. This decision has been made by management and committee due to the low attendance rates of make-up classes and high running costs. This will assist in keeping member fees as low as possible.

During the competition season, for club invitationals teams are selected at random by BTYC, within each eligible level. For any Gymnastics Victoria, Gymnastics Australia, Interstate or international competitions gymnasts are split into ranked teams. Tier 1 team athletes will be chosen based on past competition experience from that year, using Apparatus and All Around scores. Additionally, the Program Manager and Coaches may use performance at training and internal testing to support team selection.

ARE THERE OTHER EVENTS THAT ATHLETES HAVE TO PARTICIPATE IN?

Throughout the year, BTYC will offer a range of social events. All social events are not compulsory but highly encouraged as they are great team bonding events. All are invoiced separately, and you need to book in to participate.

COMPETITIONS

Type of competitions:

Club Invitationals:

These are competitions that are open to all members in the community. There is no selection event for entry and awards are usually given for 1st to 6th place. BTYC usually enters 3 club invites throughout the season, and they are great opportunities to practice routines before state competitions.

Qualification/Trail Events:

Qualification and Trail events are used to select athletes for Victorian championships and Victorian Teams. These are competitions that are run by Gymnastics Victoria who often use their state facility or a host club to facilitate the event. As these events are technically qualifications, not all events have awards. In general, the lower levels (1-6), receive 1st - 3rd.

State Championships:

The Victorian Championships are held by Gymnastics Victoria and are ran in an arena venue. For many levels this is the high point of their season and a time where athlete can compete to be Victorian Champion. For the senior season, this event is competing for the team champions as well as individuals. For athletes trailing to make the Australian Championships, this event is also a trail event where athletes can achieve the scores or placings to qualify.

National Championships:

The Australian Gymnastics Championships is held by Gymnastics Australia once a year. For the majority of the BTYC senior program this is the pinacol of their season and a chance to represent Victoria and fight to be an Australian Champion. For certain levels this event is also a selection event for National squads and teams.

Other National competitions:

- **Boarder Challenge:** This event is run by Gymnastics Queensland. Athletes are selected by gymnastics Victoria to represent the state in the Victorian Team. Similar to National Championships the logistics of this event is organised and communicated by Gymnastics Victoria.
- **National Club Carnival (NCC):** This event is run by Gymnastics Australia and open to all clubs to enter a team. BTYC have their own selection process for choosing teams for this event and representing BTYC on the national stage.
- **Souther Crosn Classic (SCC):** This is a national level competition organised and ran by Gymnastics Victoria and usually held in line with the junior Victorian Championships at the end of the year. This event if for high level gymnasts to compete against other states while representing their club.

Levels qualifications:

Invites: 1-10/SNR

Boarder Challenge: 6 & 7 open

Australian Championships: 7 - 10/SNR

National Clubs: 3 - 10

Southern Cross Classic: 9 under
